Ekosem-Agrar AG expects timely completion of the annual audit for the 2020 financial year

Walldorf, 14 February 2022 - Ekosem-Agrar AG expects the audit of the annual financial statements for 2020 financial year to be completed in a timely manner. The company has meanwhile received statements from the Russian Agricultural Bank (Rosselkhozbank, RSHB) which it believes are sufficient for the completion and audit of the 2020 consolidated financial statements. However, the auditor has not yet had sufficient time to verify whether he can complete the audit of the financial statements and issue an audit opinion on this basis. If the auditor confirms so, the Management Board expects the 2020 annual financial statements to be completed in the next few weeks (probably by the end of the first quarter 2022).
